**STAND
LEAVE DOG**

57. STAND - LEAVE DOG - TURN - CALL TO HEEL.

This exercise requires two signs. The handler and dog stop at the first sign (A) and the handler cues the dog to remain standing. The dog does not sit first. The handler then walks to the second sign (B), which is placed approximately 2 metres from sign A. The handler turns and faces the dog, then calls the dog to come directly to the heel position without coming to front first. The dog may go straight to heel or pass behind the handler as though in a right finish. The dog does not have to sit in the heel position, unless the handler wishes them to do so. The dog/handler team then heels forward.

MOVING BACKUP HEEL BACK 3 STEPS

58. MOVING BACKUP.

While heeling, the handler cues the dog to backup from a standing position. The handler takes three steps back while the dog heels backward with the handler, then moves forward. The dog may not sit before backing up.

**SEND
OVER
JUMP**

59. SEND OVER JUMP - HANDLER RUNS BY.

As the handler and dog team approach the sign the handler sends the dog towards the jump which is approximately 4 metres in front of and 1.5 metres to the left of their path. The handler continues at a brisk pace along a line 1.5 metres to the right of the jump. When the dog has completed the jump, the handler calls the dog to the heel position and the dog/handler team continues to the next exercise approximately 4 metres ahead. If the dog is much faster than the handler, the dog may be called back to the handler without penalty. A line may be drawn on the ground to indicate the 1.5 metres mark.

NB. This sign is now placed on the handler's right, not on their left where it was previously placed.

The handler turns to the right, cueing the dog to move with him/her. After turning and taking 1 or 2 steps the handler stops, cueing the dog to drop directly into a down position without first sitting. When the dog is down, the handler cues the dog to heel, and moves forward.

Once the handler starts their about turn no further stop is required.

FINISH

BONUS

TURN
SIT
RETRIEVE
FINISH R/L

BONUS EXERCISE 11.

TURN - SIT - RETRIEVE - FINISH.

Before beginning the course, the handler will give the ring steward or judge a retrieve object (no food or any injurious item). As the dog/handler team is heeling to the sign, the ring steward or judge will unobtrusively place the retrieve object on the ground approximately 4.5 metres from the sign. This will be done whilst the dog/handler team's back is to the steward / judge so the dog cannot see the object being placed. At the sign, the dog/handler team will turn to face the retrieve object and stop with the dog sitting at heel. The handler may direct the dog to look at the retrieve object before sending the dog to pick up the object and return to the front position. The handler takes the object from the dog and finishes the dog either Left or Right.

DOWN ON THE MOVE LEAVE DOG

BONUS EXERCISE 12.

DOWN ON THE MOVE - TURN - RETURN TO DOG.

This exercise requires two signs. As they approach the first sign (A) the handler will cue the dog to drop directly into the down while the handler continues walking. There should be no pause in the handler's pace as they proceed to the next sign. At the second sign (B), which is placed approximately 2 metres from sign A the handler will perform a 180 degree turn and return to the dog. The handler must return by passing the dog on the handler's right, turning around behind the dog and moving up into the heel position. The exercise is then complete.
